- 2) Shipping-out of the exhibits should be completed during the period from hours 18:00 of October 23 (Fri), 2009 until hours 15:00 of October 24 (Sat), 2009.
- 3) Only the cranes and/or forklift trucks designated by the Organizer can be used for both shipping-in and shipping-out operations and the Exhibitor is not permitted to bring in and use any cranes and/or forklift trucks other than those designated by the Organizer.

4. Bonded exhibits:

The Organizer will apply the fairgrounds as the bonded exhibition area during the period from October 18 (Sun) through 24 (Sat), 2009. The Exhibitor who wants to display the exhibits as the bonded goods should so notify the Organizer in advance.

5. Opening and working hours:

The fairgrounds will be open in principle from hours 09:00 to 18:00 throughout the pre-show and show period.

6. Control and protection of exhibits:

- 1) The Organizer shall take charge of control of the fairgrounds and the Exhibitor shall take all measures required for protection and control of the exhibits.
- 2) The Organizer shall take no responsibility against an accident caused by the Exhibitor's conducts or negligence during shipping-in, shipping-out as well as the show period. All the troubles incurred in connection with such accident shall be

settled by the Exhibitor concerned under its own responsibility.

- 3) The Exhibitor is requested to cooperate with the Organizer for maintaining public order and improving dignity and credit of the Japan Pack exhibition.

7. Demonstration, food-tasting , presentation, distribution of pamphlets, etc:

- 1) The Exhibitor may demonstrate its exhibits within the confines of its booth, but the Exhibitor is required to take all necessary precautions to safeguard the visitors under its own responsibility.
- 2) In case an Exhibitor hands out food samples turned out from demonstration of the machine exhibited for tasting by the visitors, it is required for the Exhibitor to submit a written notice to the competent public health authorities. The Organizer will make such notification collectively for and on behalf of such Exhibitors.
- 3) Every Exhibitor is requested to refrain from making presentation of its exhibits, distribution of samples, giveaways, pamphlets, etc. and inducing of the visitors to its booth beyond the confines of its booth.

8. Use of a microphone or a speaker

Use of a microphone or a speaker (including those with a built-in monitor) is permitted if certain specified conditions are met. (For details of such conditions, refer to the Exhibitors' Handbook which will be available to the Exhibitor around June 2009.)

9. Disposal of wastes:

The Exhibitor is requested to dispose properly the industrial wastes generated by booth decoration under its own responsibility.

The wastes turned out by demonstration of the exhibits will be disposed by the Organizer, but the Exhibitor will be responsible for the cleaning of any excessive amount of wastes in and/or around its booth.

10. Smoking:

Smoking is prohibited by the Fire Prevention Law of Tokyo Metropolitan Government except some designated places.

11. Protection of Intellectual property:

The Exhibitor is required to observe the intellectual property right and make all possible efforts for protection of industrial rights registered with the Patent Office as well as any peculiar well-known technologies. The Organizer does not involve in any disputes relating to any infringement of patents, trademarks or industrial design prior, during, or subsequent to the period of the Japan Pack 2009, and the Exhibitor is requested to seek its own legal counsel to settle such issues.

12. Changes of show periods, etc.:

The show period or hours may be changed in case the Organizer judges it necessary to do so. However, the Organizer will not be liable for any loss that may occur to the Exhibitor by such changes. The Organizer may reserve a right to cancel the accepted application and the exhibition space contract in case the exhibition cannot be held due to any natural disaster, Terrorism, Acts of God or any other unavoidable reasons. In such case, the Exhibitor waives any and all damages and claims for damages, and agrees that the sole liability of the Organizer shall be to return to each Exhibitor its booth space rent paid, less its pro-rata share of all costs and expenses incurred and committed by the Organizer. It is expressly understood and agreed by the Exhibitor before filing the application or signing the exhibition space contract that the abovementioned conditions are agreed on and raise no objections under any grounds or circumstances.

13. Information, rules & regulations:

All matters and questions not covered herein are subject to the decision of the Organizer. The rules and regulations set forth herein may be amended or added at any time by the Organizer, and all amendments or additions that may be so made shall be as equally binding on all parties affected as the original rules and regulations. Every exhibitor will be provided with an "Exhibitor's Handbook", which will also be deemed as

an extension of the Exhibition Space Contract.
